Tulane Medical Center is an acclaimed teaching, research and medical center serving the greater New Orleans area. Tulane physicians provide leading-edge care ranging from primary to tertiary to quaternary in a vast number of specialties. Tulane Medical Center continues to grow to reflect the changing needs of the community. In addition to its downtown campus, Tulane Medical Center includes the Tulane Hospital campus in Metairie and the Lakeview Regional Medical Center campus in Covington.

Our mission is to provide world-class patient care, education and research.
